## 10 LEVELS OF INTIMACY IN TODAY'S COMMUNICATION

# SM for Universities

Student Usage

# SM for Universities

---

- Boost Student Enrolment – Provide a feel for school life through an online community.
- 3 to 5 times more successful than standard marketing targeting
- Peers are more influential in school choice than advertising.
- FB fans are almost 70% as likely to recommend a product. Twitter followers higher.

Social Media Inside Educational Institutions Heiberger, “Have You Facebooked Astin Lately?”, “New Directions for Student Services” no. 1247

# Prospective Students Today

## Social Media Use

“Scrolling Toward Enrollment,” Noel-Levitz, 2009 Pew Internet & American Life Project, 2010

# Prospective Students Today

---

- Grew up with Internet technology
- Nearly three-quarters use social media
- 18 percent use Twitter
- More than 9 out of 10 own a cell phone
- 67 percent own an MP3 player

“Scrolling Toward Enrollment,” Noel-Levitz, 2009 Pew Internet & American Life Project, 2010

# Prospective Students Today

---

- 81 percent access the Internet wirelessly
- 70 percent believe colleges should have a presence on social networks
- 70 percent want online contact with a school as they complete an application

“Scrolling Toward Enrollment,” Noel-Levitz, 2009 Pew Internet & American Life Project, 2010

# Prospective Students Today

## Want to be Engaged

“Scrolling Toward Enrollment,” Noel-Levitz, 2009, “Recruit at Bowling Green State University: The Role of Social and Digital Media,” Glassford , Dec. 2010

# What do they Want?

---

- 70% of prospective students want colleges and universities to create a social media presence
- 51% want to be contacted directly through a social network
- 75% want schools to create private communities

“Scrolling Toward Enrollment,” Noel-Levitz, 2009 Pew Internet & American Life Project, 2010

# What do they Find Most Effective?

---

- 50.1% said event notifications
- 47.7% said posts from other students
- 46.6% said posts from the school itself

“Scrolling Toward Enrollment,” Noel-Levitz, 2009 Pew Internet & American Life Project, 2010

Social Media is  
#Winning

Why aren't we doing it?

# Why Aren't More Schools Doing it?

---

- Overwhelmed by all the choices
- Measuring success seems difficult
- It requires dedicated staff
- Confusion of ownership

Setting Goals

Conversion

# Discover What The World Is Saying

---

- Monitoring of all brand-related topics across thousands of social media websites
- Near-real time updates on published content – High priority or important posts – Can be delivered right away, daily or weekly
- Monthly trend reports examining – Key topics of conversation – Trends in content categories – Activity across multiple social media types – Tracking of student outreach – Expert analysis and recommendations

# Manage Your Social Media Presence

---

- Social Engagement – Reach out to prospective students, existing students and alumni – Go beyond just a Facebook page – Show thought leadership in your industry
- Aggregate discussions to showcase interesting conversations about the industry as a whole
- Manage all of your social media presences through one control panel – Assign tasks, manage approval processes and schedule content publishing – Seamlessly cross-publish across multiple networks – Track unique visitors from each social network to target more efficiently

# Improve Student Satisfaction

---

- Social Media CRM Solutions – Proactively address student issues before they become a problem – Get real-time updates as issues appear online – Manage workflow through social media engagements – Auditing engagement trails – Analyze positive interaction

# Increase Retention or Enroll-to-Start

---

- Retention-Focused Communities – 76% of incoming students in 2009 said they want their school to provide a private social network – Customized communities address your students core needs – Impact enrolment and engagement by driving interconnectedness

# Help Graduates Get Hired

---

- Alumni engagement networks – Help alumni network – Create active job message boards and recruitment channels – Aid in fundraising – Disseminate prestigious alumni news

Thank You

@mwarf

# Frequent Users

---

- Participate more often and spend more time in campus organizations
- Interact face to face daily with close friends and feel strong connections to them
- Twitter increases student engagement and improved grades
- Helps transition and adjustment to student life

# Downsides

---

- Miscommunication occurs because of limited context with digital communication
- Rumour propagation
- Harassing content
- Little or no consequences
